

**California Carver Club**  
**August 18/19, 2007**  
**Cruise Report**  
**Officer's Meeting Report**

**Event Attendance:** Darlene & Jim Bren  
Judy & Tom Kenny  
Monica & Joel Banttari  
Sarah, Heather & Dave Branstetter  
Donna & Paul Clausen  
June & Harry Howe  
Barbi & Pat Carson  
Darlene & John Haffner  
Cathy & Gary Grey

**Cruise Report:** Vice Commodore Darlene Bren and Jim hosted a wonderful event on their co-owned island/berm on Disappointment Slough just west of Paradise Point. The weather was great, the breeze was pleasant, the food was delicious and the company was fun.

**July Minutes:** While not in possession of minutes from the July 4 cruise, they were unanimously approved.

**Treasurer's Report:** While Bob Naquin was not in attendance, he assures us that the Club continues to be in fine shape fiscally. Note that this weekend's cruise was the annual Club Appreciation event, i.e., no slip fees and all of the food was provided by the Club. Bob also reminds us that he is seeking a replacement for the position of Treasurer. Any volunteers?

**Ad in the Yachtsman Magazine:** All members should have received a confirmation for a one-year subscription to the magazine as a result of the Club running an advertisement for new members. To date, we have 5 (five) new members as a result. Good work all!

**Boat US:** Paul Clausen volunteered to relieve Jerry Rapert of his Boat US liaison duties. Thanks Paul!

**Change of Watch:** Mark your calendars. Our CoW is set for February 23, 2008. There was plenty of discussion as to location. The four (4) nominees are Spindrift, The Point, Stockton Y/C and the Ryde Hotel. We'll begin the process of making a final decision shortly.

**Bent Prop Award:** Despite considerable discussion and the need for three (3) votes of the attendees, it was decided that the B/P will continue to enjoy a home on *Haff Time*. While the other contender actually did damage to his vessel and the **bridge** that it collided with, it was decided that showing up to the July event with a broken generator

plus using a tow rope to secure the stern anchor was sufficient cause for the reward to remain with the current Commodore. Thank you very much!

**Next event:** Fleet Captain Pete Delisi has arranged for the Club to cruise to Oxbow for the weekend of September 22/23. More to come from Pete.

The meeting was adjourned at 10:28.

Respectfully submitted,

John Haffner  
Acting Secretary for the Day  
Current Commodore
