

**California Carver Club**  
**June 10, 200**

Event attendance: Paul & Irene Reiner  
Pat & Barbi Carson  
John & Darlene Haffner  
Jim & Darlene Bren  
Larry and Diane Welch  
Harry and June Howe  
Judy and Tom Kenny  
Michael and Linda McCurdy  
Paul and Donna Clausen  
Sharon and Russell Souser  
Bob Naquin

**Treasurer's Report:** Bob Naquin reported that we had \$3011.64 in the checking account. 13 members had paid their dues for the year. Fourteen counting the Haffners who paid up on the spot.

**Old Business:** The minutes of the previous meeting were accepted and approved.

**New Business:**

- Roster Update – Judy Kenny had some updates for Bob. Bob stated that he would send out one more set of invoices for the dues and then delete anyone from the roster who does not pay up.
- Discovery Bay Cruise -Tom Kenny reported that he would try to set up a golf outing if there was enough interest to do so on the Saturday. Barbie and Pat have a cruising conflict and have put their minds to work in order to be able to commute in from San Rafael to keep their perfect attendance in tact.
- The 50-60's bash was another great success with lots of boat, cars and bikes. The dinner was the usual success. Many thanks to the Bren's who once again did a wonderful job with this event. The McCurdy's served a wonderful breakfast. Thanks to Mike, Linda, and the real talent, Amy
- The idea of a viable Carver Club website was discussed and the expenditure of \$169 was unanimously approved for setup and 12 months of subscription. Barbi and Pat will do the setup and asked that members supply them with whatever content they would like to have on the site. The main goal of the site is recruitment and information exchange i. e. cruise out information, pictures.

- Discussion on how to perpetuate the site. It was thought best to make it the responsibility of the Rear Commodore to find someone each year to be Webmaster. It was discussed that the web site renewal should be revisited every year to make certain that we are getting the deliverables we desired from it.
- Bob suggested that the website be considered as a source for personal articles from members and as a means to notified members of changes in schedule. He suggested that it be called the Personal Articles Magazine and Emergency Response Site on Net or the P.A.M A.N.D.E.R.S.O.N.. Bob suggested that such an approach would give us more visibility on the Web.
- The bent prop award has found a true and rightful owner in John Haffner who ran out of gas on the way to the event. While he did not actually bend a prop, the prop actually stopped turning on the dead engine and it was considered to be close enough. While John may have the biggest gas tanks of any boat in the club, he apparently has not mastered the art of filling them up.

Paul Clausen moved to adjourn the meeting.

Respectfully submitted,

Bob Naquin
