**Treasurer's Report:** Bob Naquin was not in attendance but will send the report via email, thanks Bob

**Historian's Report:** It was proposed that Donna Clausen set up a "museum" for Carver Club historical items; i.e., Susan Stevenson's old, old name badge; however, Donna, who is so sharp, quickly pointed out that a museum may not be possible but that a roving "shadow" box might do the trick. Way to go Donna.

### **Old Business:**

- July Meeting Minutes: Again, Bob Naquin was not in attendance but will send the minutes of the last meeting via email, right Bob?
- Carver Web Site Status: Barbi Carson stated it is a work in progress and we'll see something the end of November. Part of the delay is that Barbi was going to convert our old web site however she is unable to access it because of the password is lost. However, Bob Naquin is diligently researching this and will get this information to Barbi as soon as possible, right Bob?

**Site registered as: CaliforniaCarverClub.net**

### **New Business:**

- Nominations for 2007 Flag Officers:  
Current Fleet Captain Paul Reiner has requested a couple of weeks to decide if he wants to continue as an officer. If not there will be two vacancies for Fleet Captain and Rear Commodore. Pete DeLisi has volunteered for one of the openings. Thanks Pete!
- New Commodore 2007 Planning Meeting  
John Haffner will host the meeting at Tom and Judy Kenny's home:  
Saturday, January 13 11 a.m.  
2134 Prestwick Drive, Discovery Bay 925-513-2446
- Change of Watch: Mark your calendars for: **Saturday February 24**, Stockton Yacht Club. This is our only "dressy" event of the year and the officers are requested to wear blue blazers and grey slacks/skirts.

- Returning members Susan and Dale Stevenson, were in attendance at the meeting. They belonged to the Carver Club when it was originally formed and Susan served one year as Fleet Captain. They live in Danville and keep their 40' Carver in Discovery Bay. Welcome!
- IOBG – yearly meeting is **Saturday January 6**, will be attended by past Commodore Tom Kenny. Pat Carson has been instrumental in making our membership happen and has been attending the meetings up to this point as our representative. Thanks Pat for all your hard work and dedication. Tom will contact either Mike McCurdy or Pat for instructions on how to get inducted into the IOBG this year.
- Boat U.S. Representative. Jerry Rapert is relinquishing this position and the Club is actively soliciting a new representative. Members of the Carver Club are able to get a discount on their boat insurance with the help of the representative. Our new website will have a link to the Boat U.S. site. Please let one of the officers know if you are interested in this position. For more information call Donna Clausen or Jerry Rapert.
- Member mailings. We all agreed to make a better effort to reach those members who do not have email in order to notify them of upcoming events, meetings, etc. We're asking members to please notify Bob Naquin (or any of the officers) if there has been a change of email or if you need to receive information by mail as well as "pass the word" out to your friends in the Club.

Oktoberfest at Discovery Bay was a lot of fun. Unfortunately the date change made it impossible for many of our regular boaters to cruise in but most were able to drive over and support the event. The Howe's, Kenny's, Clausen's the their friends the Branstetter's cruised in. The Discovery Bay Port Captain, Donna Martin and her Port Crew showed up Saturday afternoon with "Sea Breezes" to welcome us all after our meeting in the bilge room. This was followed by \$1 beers, dinner, the polka contest and the chicken contest, won by none other than Carver member Judy Kenny, a 50/50 raffle, dancing and lots more fun.

The Kenny's served a continental breakfast on the dock Sunday morning before everyone departed.

Judy and I want to thank all of you for coming to the event and for making my year as Commodore lots of fun. We've made great friends and we look forward to seeing you all at the Change of Watch as we wish John and Darlene Haffner all the best as they take over the Commodore responsibilities. P.S. Good luck John in your race for Morago Councilman in November.

Respectfully submitted,

Tom Kenny
