After meeting at the assigned location, Commodore Paul took the Club on an interesting cruise around the Delta to find our final destination. There was much radio banter and a highly organized tie-up to Power Squadron Island. The Mystery Cruise was a great success. Linda received the prize for guessing the Cruise destination on the way. Paul and Donna had some great boating knowledge games and prizes. Paul grilled chicken; everyone brought delicious appetizers and sides. Another great CCC cruise.

Respectfully submitted,
Elaine Landro, Secretary/Treasurer
